

Four and a half years ago our family returned to Lancaster County and became involved in Elizabethtown Brethren in Christ. After ten years of ministry with InterVarsity Christian Fellowship in Pittsburgh and the various health concerns our family has navigated, I never dreamed that we would find a place where our family and ministry were truly embraced. But as Theresa and I enter 15 years of marriage and ministry, we have come to find EBIC “home.” Thank-you. To God be the glory!

**INTERVARSITY** CHAPTER BUILDING TOOLS

In this new stage of pioneering ministry, we have been called to build a network of Christian Scholars and Professionals in south central Pennsylvania. Here's a snapshot of where we are at today.

As in any structure or workplace, the Father, by His Spirit, leads His children to bring to and incarnate the Word of God in their particular context. My role, by the grace of God, is not only to be a developer, guide, and architect,

And Equip missional Christians. The daily life of missional Christians (and the ministries which they develop on campus) extend the Way, Truth, and Life ... calling some to Christ for the first time, calling others to grow in Christ-likeness in deeper ways, and offering to others the call to return to the Father, as the prodigal son and his brother.

## Christian Scholar Series

Over the past two years we've partnered with EBIC in developing the Christian Scholar Series.
